## **Driven Executive Tuyen Nguyen Joins Seon Sales Team**

Coquitlam, BC – 12 December 2006 – Seon Design Inc. is pleased to announce the appointment of Tuyen Nguyen to the position of Sales Executive. Beginning at Seon Design in 2005 as part of the customer service team before transitioning to the marketing department, Ms. Nguyen was eager to face the challenges of sales. As Seon Design is rapidly growing – doubling in size every year for the past three years – Ms. Nguyen seized her opportunity to join the sales team.

“Seon Mobile Surveillance has worked hard to lay a foundation of excellent products and exceptional customer service,” said Ms. Nguyen. “I’ve joined an industry leading team – I want to help push for even greater success.”

Reporting to Mr. Terry Akiyama, Vice President of Sales, Ms. Nguyen specializes in mobile surveillance solutions for the school bus market in the central United States. She works closely with Seon Design’s marketing and service teams.

“Tuyen has proven herself to be driven,” said Mr. Akiyama. “She has the education and the skills to excel in this area of business.”

Ms. Nguyen will spend a significant portion of her time on the road, dividing it between customer visits and tradeshow.

Ms. Nguyen completed her BA in marketing and a business management diploma at Malaspina University-College in Nanaimo, B.C. She is based out of Seon's corporate headquarters in Coquitlam, BC.
