Trooper® TL4 front panel – actual size

It's Back. . .

The most popular DVR promotion has returned.

Big value, small package

Purchase 10 or more Trooper® TL systems and you'll receive a **FREE Dell™ Notebook**. Offer valid March 1 – September 1, 2011.*

*2011 promotional terms & conditions apply.

*This card represents the actual dimensions of the Trooper® TL
(dimensions do not include the locking front cover, cable cover or mounting plate)*

The feature-packed Trooper® TL series offers the best value in its class. It is the ideal video surveillance solution for school districts that demand value without compromise. Representing the next generation of a proven product, the TL offers safety, security and control in one compact, high-performance package.

Value Without Compromise Trooper® TL

- Supports 2 or 4 cameras with audio.
- Features H.264 compression to provide premium image quality.
- Stores up to 500 GB for plenty of recording space.
- Records up to 30 FPS per camera at 720 x 480 for high image detail.
- Offers Wi-Fi capability to access video data management remotely.
- Provides a simple point-and-click graphical user-interface.
- Offers a compact, integrated lock-box design.
- Includes a user-friendly software program.
- Supports GPS and mapping software for vehicle tracking.
