Subject to the terms and conditions listed below, during the relevant warranty period, Seon will repair, replace, or refund the purchase price for the defective product, whichever Seon considers to be appropriate in the circumstances, in Seon’s sole and absolute discretion, free of charge, any defective products returned prepaid. In the event of replacement, the returned product will be credited to the customer’s account and a new invoice issued for the replacement item. Seon may use new or refurbished replacement parts for repairing its products, at its sole and absolute discretion. Seon may replace an entire unit with an equivalent model, at its sole and absolute discretion. If a unit is exchanged, the returned product shall become the property of Seon and the replacement product becomes the property of the purchaser, and the remainder of the warranty that applied to the returned unit from the original purchase shall apply to the replacement product. Replacement units may be new units, or units that have been repaired to full factory specifications, at Seon’s discretion. If Seon finds that the returned product is in good working order or its inability to function properly is not covered by this warranty, the product will be returned in the same condition as received unless repair is possible and requested by the customer. Repairs of such nature will incur a charge for parts and labor and will proceed only by agreement with the customer to accept the charge.

Extended Warranty for Certain Products

The following extended warranty ("Extended Warranty") provisions apply only to products ("Extended Warranty Products") in respect of which Seon expressly and specifically has offered, and the customer expressly and specifically has purchased, the Extended Warranty as a separate product from Seon. Solely upon payment in full for the Extended Warranty by such customer, and in such case solely with respect to such Extended Warranty Products, if any provisions of the Extended Warranty conflict or are inconsistent with the provisions of the basic warranty set forth above, the provisions of the Extended Warranty shall govern.

Seon warrants the Extended Warranty Products against defects in workmanship and materials, provided that such defects appear or are discovered within the extended warranty period set forth in the applicable Extended Warranty purchase documentation executed by the customer and Seon, and provided further that the purchaser of such products notifies Seon of such defects within 30 days of the appearance or discovery of such defects.

Under the Extended Warranty:

(a) Seon will provide repairs to the Extended Warranty Product at no extra charge during the Extended Warranty period;

(b) normal wear and tear is covered, including replacement of hard drives if necessary;

(c) the parts and repair labor required to complete all warranted repairs are included;

(d) Seon will arrange and pay the cost of ground freight between customer’s location and the Seon U.S.A. service facility (or such other location) as is designated by Seon in the relevant Return Material Authorization issued by Seon in respect of such Extended Warranty Product; and

(e) as determined by Seon in its sole and absolute discretion, Seon may elect to pay freight, brokerage and/or duty costs to bring the defective goods to Canada, if required.

The purchaser reporting an Extended Warranty issue may request Seon to arrange for pick-up of the Extended Warranty Products and shall provide information as to the number of parcels and shall request a RETURN AUTHORIZATION (RA) NUMBER.

If Seon elects to pay the cost of freight in accordance with clause (e) above, Seon will only be responsible for the cost of ground freight. Any additional costs for express modes of freight will be paid by the purchaser of the Extended Warranty Product. Advance replacements will not be provided under any circumstances.

A renewal or extension of the Extended Warranty is not automatic and will only be granted at the sole and absolute discretion of Seon, which (if so granted) must be expressly and specifically confirmed by Seon in writing.
